

Presentation

MARTINO CONTU
Chairman of the Centro Studi SEA

Issue 13 of «Ammentu» journal includes a dossier entitled *Similes between Cuba and Sardinia and sources for the history of the Italian and Sardinian emigration in Latin America: Argentina, Uruguay and Panama*, published under the direction of Martino Contu, with essays by Carlo Pillai, *Cuba and Sardinia two distant and near islands*; Martino Contu, *The pre-unitary Italian emigration in Uruguay through the Uruguayan Consular sources (1850 -1851)*; Roberto Porrà, *Sources for the history of the emigration in Latin America, especially in Argentina, preserved in the Sardinian municipal archives*; Giovannino Pinna, *Sardinian migrants in Panama in the first years of the Nine hundred*. The contributions of these authors underline the importance of the sources, particularly those of national and municipal archives, for the study of the Italian and Sardinian migratory phenomena direct in Latin America.

To follow there is the *Focus Salud, bienestar humano y medio ambiente en Chile* (Health, human well-being and environment in Chile), published under the direction of Rodolfo Cruz Vadillo, with contributions of Alex Véliz Burgos and Anita Dörner Paris, *Una propuesta multidisciplinaria para abordar el trabajo del territorio costero desde una mirada Ecológica, de Salud Colectiva y Bienestar humano de comunidades costeras de la Región de Los Lagos, Chile* (A multidisciplinary proposal to tackle the work of the coastal territory from an ecological, Collective Health and human Well-being view of coastal communities from Los Lagos Region, Chile); Carolina Cabezas Cáceres, Julio E. Crespo, Juan Guillermo Estay Sepúlveda, Anita Dörner Paris, Mario Lagomarsino Montoya, *Hipermetropía Ambiental en una Sociedad Abierta: El Medio Ambiente en una Encrucijada* (Environmental Hyperopia in an Open Society: The Environment at a Crossroads); Claudia Huaiquían Billeke, Katherine Henriquez Alarcón and Sonia Curinao Aillahuil, *Construcciones intersubjetivas entre un grupo de pares y estudiante Trastorno Espectro Autista* (Intersubjective constructions between an Autism Spectrum Disorder student and his peer group). The three articles, interdisciplinary, they propose to study the complex existing relationships among health, environment and human comfort.

In memory of the historian Lauro Rossi, our collaborator, recently disappeared, we propose one entitled article of his, *Lo sport nei campi di prigionia durante la Grande Guerra* (Sports in prison camps during the First World War), published in the volume *Tra fede e storia. Studi in onore di Don Giovannino Pinna* (Between faith and history. Studies in honor of Don Giovannino Pinna), edited by Martino Contu, Maria Grazia Cugusi, Manuela Garau (Aipsa Edizioni, "Notebooks of the Foundation Mons. Giovannino Pinna", 3, Cagliari 2014, pp. 271-282).

The issue ends with two critiques of books published in the 2018: Giorgio Madeddu, *La damnatio ad metalla. Storie di prigionieri dell'impero austro-ungarico nella Sardegna della prima guerra mondiale* (The damnatio ad metalla. Histories of prisoners of the Austria Hungarian empire in Sardinia of the First World War, (Gaspari, Udine 2018, pp. 191), of Emanuela Locci; and Martino Contu, *Sennariolo. L'emigrazione in America Latina attraverso le fonti comunali* (Cat. XIII "Esteri") (Sennariolo. The emigration in Latin America through the municipal sources (Cat. XIII "Foreign"), (Centro Studi SEA, Necklace "Notebooks of Archivistica" 5, Villacidro 2018, pp. 72), of Manuela Garau.

In this number the Presentation is proposed in Italian language and in English.
From the first semester of 2019 «Ammentu» will change dress graphics and will be available on the site www.revista.ammentu.org
